Religion is the adoption of someone else path to God as your own. Spirituality is your own unique relationship with God beyond the definition of anyone else. The goal of this manual is to assist you in experiencing heavenly spirituality on earth through an Eternal Living Now lifestyle. At this very moment, your spirit-being is experiencing eternal realities while co-existing in your temporary body. Objectives in this manual are designed to encourage *awareness* of eternal realities that already around, next to you, within you and through you. Success is the ability to identify spirit-being as your true eternal identity and to express the character of your eternal self as behavior through your body. You can actually begin thinking and behaving eternal realities before you get to heaven. Sampling heavenly lifestyle begins now in Christ, not later.

Ask yourself, what am I doing now that I will do for eternity? God made sure that inhabitants of His household on earth would have daily opportunities to exercise eternal activity that takes place in His household in heaven. For example, the experience of God presence through His Spirit is an eternal experience in heaven or earth. Worship is an eternal experience, in that you will worship God on earth or heaven forever. Praise is an eternal experience. You will praise God forever in His household on earth or in heaven. The experience of godly-thoughts within your spirit-being is forever. The exercise of language under the inspiration of the Holy Spirit is an eternal experience. Godly guidance for fulfillment of life-purpose is an eternal experience. Godly revelations regarding the meaning for your existence is an eternal grace from His Spirit forever. Relationship, communication, expression of Divine persona within your eternal self and behavior under the direct influence of the Holy Spirit are shared-realities between spirit to Spirit interactions forever. Your presence and future existence will forever be dependent upon the existence of God. The quality of life for your spirit-

being will forever be defined, established and rewarded by God. Eternal awakening and growth in eternal self-awareness, enlightenment, and consciousness of being is experienced both now and forever in God, through God and because of God. These are just a few answers to your question regarding the identification of eternal realities that exist in your life right now. Remember, as a citizen of God's household in heaven or earth, you are guided by the Holy Spirit to exercise eternal practices today and forever. The lifestyle of heaven begins now as you awaken to opportunities to access infinite eternal resources for fulfillment of your life-purpose.

The abundant life promised by Christ is eternally infinite in dimensions and can never be reduced to just ephemeral pursuits that will eventually pass away. Christ, the Word and highest expression of the eternal Being of God, is with us and in us forever. This work book will help you to experience on earth what is already known of you in eternity. *Knowledge, consciousness* and *expression* of your eternal spirit-being is the apex of achievement for the Eternal Living Now program. Know that your progress is always our success and this book is our investment into the evolution of your highest self as you commit to an Eternal Living Now lifestyle.

Discovery of *spirit-being, eternal behavior* and *eternal cultures* are targeted areas for discussion in this manual. However, knowledge from the Eternal Living Now book will be necessary for command of information that is not covered in this work manual. The Eternal Living Now book is available at our website at www.eternallivingnow.com.

Reading the Eternal Living Now book before completing this work manual is highly recommended for maximum comprehension and results. Experiencing eternal realities daily as fulfillment of life-purpose is of vital importance for spiritual beings such as yourself. Explore, experience and enjoy the eternal provisions and benefits God has already provided for you to discover in this lifetime. The true treasures you possess cannot be taken away by taxes, government, enemies or systems because God's best treasures are eternal. Awareness of your eternal self is required for both access and enjoyment of the abundant eternal treasures provided for you. You are taking this course because eternity has beckoned you. Experience the satisfaction of eternal awareness as you read and complete the Eternal Living Now book and the Eternal Living Now Work Book. You are most deserving of the infinite wealth that has already been given to you upon your awakening.

Peace,

Roland

ACCEPT CHRIST AS YOUR SAVIOR?

Know that Jesus Christ died on a cross so that he could exchange his life with yours. In death, he became the failures of your life so that in life you could live the success of his. When invited, Christ will convert the nature of your existing spirit into the living nature of his spirit. Spiritual conversion requires a desire and request for conversion. “Ask and you shall receive” (Matthews 7:7). If you desire Christ to change the nature of your existing spirit to the nature of hi living spirit, then proceed.

Pray the following prayer with me. Jesus, I believe you died on a cross so that my sin could be forgiven. Thank you for your forgiveness right now. Jesus, I believe you rose from a grave to give me life that is greater than eternal death. By faith I receive your eternal life within my spirit right now.

Believe: Lord Jesus, I believe you are faithful to your words of promise. I believe you have come into my spirit as you promised you would when invited. Thank you for giving me your life. I have received your life within my spirit. Thank you for choosing to live your life within me. From this day forward, I live for you by allowing you to live your life within me and through me. I, in you and you in me, is the new life I now live forever. Thank you, Jesus, for this new life I have in you.

Be sure to visit our website for information and resources that may assist in your new journey with Christ. After 40 years of walking with Christ, I can tell you he is faithful to develop you into the awesome creation God intended for you to become before you were born. Pray for Christ to lead you to the church family of His choice for spiritual growth. Be patient. Christ will get you where you need to be at the right time. Continue to desire to **know, pray and believe** and your journey with Christ will fulfill God's will on earth, as it is in heaven.

In the Eternal Living Now book, you were challenged to re-read the book for a deeper revelation regarding how, why and when everlasting resources can be accessed by your eternal spirit for fulfillment of life-purpose. I am fully confident your life will experience unbelievable improvement as you accept this challenge.

I suggest a visit to the Eternal Living Now website to make copies of forms for documentation, purchase of additional books, CDs and other resources that contribute to your growth in the disciplines of an Eternal Living Now lifestyle.

The Eternal Living Now family is increasing daily. Because we are changing, the world is changing. Your addition to the ELN family contributes to the fulfillment of Matthew 6:10; "Your Kingdom come as Your Will is done on earth as it is in heaven." Heaven is transforming earth through your Eternal Living Now lifestyle. Hallelujah!

Congratulations and welcome to your eternal family.
